HEADMASTERS are FURIOUS with Will Smith because kids are copying the Hollywood star's Oscars slap in the playground. In a re-run of the "happy-slapping" craze, youngsters are now recreating the actor's on-stage assault on comic Chris Rock... and filming it on their mobile phones.

## P&O refuses to reinstate axed sailors

THE boss of P&O Ferries has insisted he will not reverse the decision to sack nearly 800 seafarers despite being given "one further opportunity" by Transport Secretary Grant Shapps.

Chief executive Peter Hebblethwaite (above) wrote to the minister claiming his request "ignores the situation's fundamental and factual realities".

Re-employing the sacked workers on previous wages would "deliberately cause the company's collapse, resulting in the irretrievable loss of an additional 2,200 jobs". "I cannot imagine that you would wish to compel an employer to bring about its own downfall."

P&O Ferries says the business needed to cut costs to survive as it was losing £100m a year.

## Armed cops seize undies danger man

A MAN who escaped from a prison van dressed only in his underpants and socks has been arrested by armed officers.

Kyle Eglington, 32, sparked a manhunt after he managed to get out of the vehicle in Poole, Dorset, at around 11.15am on Saturday morning after assaulting security officers.

Dorset Police warned the public on Sunday that Eglington may have shaved his head and beard in a bid to change his appearance.

The force said on Monday evening that Eglington had been arrested by its tactical firearms team on suspicion of assault and escaping lawful custody.

# Queen's tears for her Philip

**MOVING:** The service in honour of Philip

THE Queen shed a tear for Prince Philip at an extraordinary service in remembrance of his life of service to Britain and his wife.

Her Majesty stood in Westminster Abbey where she ensured her beloved husband's final wishes were fulfilled after his COVID-hit

funeral left her sat alone without hymns and guests.

The service was attended by the Royal Family and his relatives and friends.

Prince Harry and Meghan Markle were the only senior royals not there.

Despite battling mobility

problems, the Queen stood to pray and sing anthems during a 40-minute service.

But controversially she chose Prince Andrew to support her as she arrived and left the church, though they kept the Duke of York away from the nippers.

## Rayner: I won't tw\*t Johnson!

LABOUR'S deputy leader has said it would be "completely unacceptable" if she "went over the despatch box and lamped Boris Johnson" as she criticised actor Will Smith.

Smith has apologised for slapping comedian Chris Rock at the Oscars following a joke about his wife Jada's alopecia.

Rayner says he had set a bad example for young people.

She said "violence is never the answer" and added: "I get passionate and upset, we all do, but, you know, if I went over the despatch box and lamped Boris Johnson because I didn't like what he said, because he offended me, then that would be completely unacceptable, and I think it was unacceptable that Will did that."

She added: "You lose the debate if you resort to violence."

## Grocery prices at 10-year high

THE cost of groceries is now 5.2% higher than it was a year ago, with inflation in the past four weeks hitting its highest level in nearly a decade, according to new data.

Grocery price inflation is seeing more shoppers turning to cheaper products and own-brand labels, while customers are also making fewer trips to stores to save on petrol costs, Kantar said.

Prices are rising fastest in savoury snacks, dog food and cat food, with jumps not seen since April 2012, it added.

The data company also revealed shoppers are eating out more – especially among commuters who are returning to offices in larger numbers.

**FINE MESS:** Police are silent on PM

**COPS say they WON'T reveal if Boris Johnson is among those fined for attending illegal Number 10 piss-ups during the COVID lockdown.**

Yesterday the Metropolitan Police said TWENTY fines will be issued as part of the police inquiry into Downing Street parties that breached lockdown rules.

However, Downing

Street has said it would say if the prime minister is among the recipients.

Fixed penalty notices are a sanction for breaking the law, and mean a fine which needs to be paid in 28 days, or contested.

If someone chooses to contest the fine, the police will then review the case and decide

whether to withdraw the fine or take the matter to court.

The police say there is still a "significant amount" of material to be assessed and that more fines could come in the future.

In a statement they said: "We are making every effort to progress this investigation at speed and have completed a number of assessments."

Cops have been investigating 12 events that may have breached coronavirus lockdown

rules, including at least three attended by Boris Johnson.

They have sent out over 100 questionnaires to ask about participation in the events.

The PM insisted "guidelines were followed at all times".

He later apologised for attending a drinks party in the Downing Street garden in May 2020.

# NESSIE IS RACIST!

TO many, it's a fun fairytale to lure tourists. To others, it's a genuine mystery, or just a silly hoax.

But to woke education chiefs, the Loch Ness Monster is a symbol of England's domination of Scotland and is anti-Scottish RACISM!

Naturally, the crackpot theory is to be taught in SCHOOLS in Nicola Sturgeon's madcap realm.

Schoolchildren will be taught how the class structure had a role in the creation of the legend and how stories surrounding Nessie relate to debate on Scottish Independence and even the Cold War.

But outraged campaigners last night slammed the classes as 'nationalist, anti-British propaganda' aimed at 'brainwashing' pupils.

The remarkable claims about Nessie come in a 17-page social studies lesson plan to help secondary school teachers teach what the beast's portrayal in films says about Scotland's image and how it affects 'wider contemporary topics, such as the Independence Referendum'.

The material aims to help 11-to-14-year-olds "recognise persuasion and bias".

The lesson plan says the movie monster 'shows the somewhat ambivalent position that Scotland holds in the Union... the very idea of a prehistoric monster in a loch affirms the stereotypical idea that Scotland – by contrast to England – is a rural wilderness, perhaps one bypassed by progress'.

# DRINK BOOZE, SHOW BOOBS!

**EXCLUSIVE**

**Renee reveals director's wine trick for filming nude scenes**

**NO STRIP SHOW:**

**OSCAR-winning actress Renée Zellweger has revealed she was encouraged to drink wine before a nude scene in her early career.**

The *Bridget Jones* beauty opened up about the battles she faced as a young actress in Hollywood. Not naming the project, the *Cold Mountain* star – who has never shown her busters on screen – recalled one instance of being offered alcohol to loosen up on set.

"There have been times I have been in, you know, on set, where a producer's ready for me to go ahead and take my clothes off: 'Here, drink this wine, 'cause then you'll do it,'" Zellweger said.

## **Topless**

"And, you know, I'm not gonna take that wine, but I would like a phone. 'Cause I have a phone call I need to make right now."

Zellweger has spoken out about her stance against scenes in the past, telling *Premiere* magazine in 2001 that she rejected a request for her to appear topless during a scene in the

film *Jerry Maguire*, starring Tom Cruise.

"It's not like (director Cameron Crowe's) big plan was to have this sleazy, gratuitous boob shot," Zellweger said.

"That's not in him and I'd do anything for him, with the exception of that."

Her hesitation stems from the belief that unnecessary nude scenes distract from the plot.

"When a woman stands naked in a room, unless that particular moment is held up by the subject matter, all you notice is that there's a naked girl," she said.

# WE'RE SO HOT!

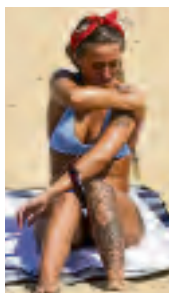

**HEATWAVES are getting hotter... and that's OFFICIAL!**

Forecasters have raised the temperature at which a heatwave is declared in several areas of England.

The Met Office defines a heatwave as when an area gets daily maximum temperatures meeting or exceeding a certain level for three days in a row.

Eight counties have had these limits raised 1C by the forecaster.

Experts said climate data showed "undeniable warming" in the UK accompanying increasing greenhouse gas emissions.

Woman 'shared video of pal with tits and arse out'

A WOMAN is facing two years in jail after she allegedly shared a naked video of another woman without her consent.

Julissa Castillo is accused of sharing the clip - which shows the victim coming out of the shower with her nipple and buttocks exposed - with the "intent to harm" her, an indictment filed in Texas, said.

The video, which was made public in 2020 without the victim's permission, clearly shows her face.

The victim shared the video with Castillo, the indictment said, though she thought it would remain private.

It's not clear how the two women know each other or where or how the video was released.

The victim was embarrassed and had her reputation hurt by the release of the video.

Castillo, 20, of Brownsville, pleaded not guilty. She remains out on bail.

*Minx*, a comedy set in 1970s Southern California, is screened on HBO and stars Ophelia Lovibond as Joyce, a hard-line feminist who becomes enmeshed with Doug (Jake Johnson), a publisher of soft-core magazines.

The pilot includes a minute-long scene in which 18 men audition, bottomless, for the privilege of being the first issue's centrefold.

Critics are calling it the nudest comedy on the telly.

## Fans Rock up to see Chris tour

DEMAND and prices for tickets to Chris Rock's comedy tour have surged since he was slapped by Will Smith at the Oscars on Sunday night.

The comedian will kick off his Ego Death World Tour on April 2.

Ticket prices for the tour, which includes stops in 30 North American cities, rose from a minimum of \$46 (£35) per ticket on March 18 to a whopping minimum of \$341 (£260) on secondary market platform TickPick since the Oscars drama.

TickPick also said from Sunday night the company sold more tickets to the comic's tour than they did all of the past month.

Rock will make stops in major cities across the US, including New York, Chicago and Las Vegas.

On Monday Smith apologised to Rock after he slapped him, saying his behaviour was "unacceptable and inexcusable".

"I would like to publicly apologise to you, Chris," he said in a statement.

## Teachers fume as Oscars star sparks kids' slapping craze

TAKE THAT: Will lashes out at Rock

By BRAD CHADWICK  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**ISSUES** like the imminent collapse of the global economy and World War 3 starting on the plains of Ukraine were put into perspective on Sunday night in Hollywood...

When a man marched up to another man and, like a girl, slapped him.

Vladimir Putin himself was said to be "horrified" after *Fresh Prince* of Bel Air star Will Smith slapped Chris Rock in the face on stage at the Oscars.

Smith delivered his limp-wristed slap across the chops after comedian Rock, who voices Marty the zebra in the *Madagascar* movies, made a joke about the actor's wife, Jada Pinkett Smith.

And now the reverberations of the unprecedented outrage have reached school playgrounds in Britain.

For Smith's pathetic attempt at a physical assault has led to a resurgence of the so-called "happy slapping" craze in UK schools.

One teacher said: "Be it drug taking, shooting each other or pretending to be a different gender, kids copy everything they see their idols doing."

### Shaved

"So when Will Smith slapped Chris Rock, I knew it would create havoc in the playground."

"And I was right. By playtime on Monday, all the kids were whacking each other round the chops while pals filmed it on their mobile phones, sniggering like the barbaric little bastards they are."

"I just wish these Hollywood stars had stuck to hypocritical whining about global warming and shit."

The rumpus started when Rock made a joke about Jada Pinkett Smith.

"Jada, can't wait for *GI Jane 2*," he said, in an apparent reference to her shaved hairdo – a result of the hair loss condition alopecia.

Rock's joke referred to the 1997 film *GI Jane*, in which Demi Moore played the title role with a severe buzzcut.

Smith walked on stage and struck Rock before returning to his seat and shouting: "Keep my wife's name out of your f\*\*king mouth."

He later tearfully apologised on stage.

# SICKO USED DILDO ON GIRLFRIEND'S POOCH

A MAN has been banned from keeping animals for seven years after inserting a three-inch sex toy into his girlfriend's dog.

Rory Knox, 39, had received the device as a Christmas present from his girlfriend.

He used it on the dog at his girlfriend's home in Milton of Campsie, near Glasgow, after

returning from a walk. He then confessed to his girlfriend saying: "I have done something really stupid."

He told her that he was playing around with the dog and the sex toy got stuck inside her.

Fiscals deputy Ross Harris said: "A few hours later, the woman noticed the dog appeared stressed. The accused

asked for the dog not to be taken to the vet as he would be arrested."

"The woman took the dog to the vet the next day. The vet spoke to the woman, and said she noticed the dog's genital area swollen and informed him what the accused said."

The toy was removed and there are no long-term injuries to the dog.

A SCREAMING man trapped in a portable toilet was busted for drug possession by the cops who bailed him out.

An arriving deputy heard Gousse's yells and spotted his foot protruding from the porta potty's door.

Gousse told cops that he had somehow got his foot jammed and couldn't get out.

Cops searched the loo and found a powdery substance that later tested positive for fentanyl.

THE director of the new Ben Affleck sex thriller *Deep Water* has a reputation for CHEERING actors during X-rated scenes.

Adrian Lyne (above) helmed erotic thrillers *Fatal Attraction* and *Indecent Proposal* before directing *Deep Water*, starring Affleck and Ana de Armas.

He admits one of his methods to shooting the perfect, intimate sex scene is hollering and cheering on the actors as they film.

In her 2019 memoir *Inside Out*, Demi Moore said that while filming *Indecent Proposal* with Woody Harrelson, Lyne "literally didn't stop talking, practically hollering, the whole time".

"Lyne would cry things like 'F\*cking raunchy!' and 'Oh god, got a boner on that!'" Moore wrote.

JAILED:  
Lukyanchikov

# DRUNK SICKO BBQ'D HIS GREYHOUND

**AN "Incredibly intoxicated" man who shot and grilled his greyhound in a fire pit will serve up to four years in jail.**

Nikolay Lukyanchikov, 50, was sentenced to two to four years in state prison after pleading guilty to aggravated cruelty to animals and other charges in the dog's gruesome death last April.

A judge also barred Lukyanchikov, who told investigators he shot the rescued greyhound because he was "having a rough day", from owning or caring for any animal on his release.

The dog was discovered atop a fire pit in the front yard of Lukyanchikov's home in Northampton Township, Pennsylvania, prosecutors said.

### Hellhole

It had been rescued along with 117 others in 2019 from a racetrack in China described as the "worst hellhole" for racing dogs in the world.

Lukyanchikov then adopted the greyhound in Philadelphia later that year and renamed him Preacher.

Cops responded to the man's home and found a burning fire pit, along with a couch in flames.

Police said in an affidavit they found Lukyanchikov "incredibly intoxicated" as he sat on a bench near the fire and tossed fake \$100 bills into the flames while squirting it with

lighter fluid. He also had a 9mm handgun that was loaded with blanks, cops said.

The badly burned and charred dog was then found atop a small metal charcoal grill in Lukyanchikov's yard.

A necropsy determined Preacher had been shot at least once, authorities said.

Lukyanchikov's roommate told cops he had shot Preacher earlier that day in his room.

Investigators seized a 9mm handgun loaded with five hollow-point rounds inside the residence.

A week prior to the macabre discovery, Lukyanchikov had stolen a 9mm Beretta handgun with an extended magazine from a friend's widow and used it to kill Preacher, Deputy District Attorney Robert James told Judge Raymond McHugh.

Lukyanchikov, who had tried to buy a gun for himself but was denied due to a prior involuntary commitment in 2011, told Judge Raymond McHugh he was "very sorry" for his actions.

Lukyanchikov was so drunk when he was taken into custody and was so intoxicated he was unable to speak.

"I think it's fair to characterise him as a dangerous person who demonstrated his use of a gun on an animal," Mr James said.

Cooley, of Citra, Florida, was arrested on charges of exposure of sexual organs and disorderly conduct.

**YOU** may have noticed that the last few days have heralded the end of winter...

The mercury pleasingly soared towards 20 degrees at the weekend and beaches started to fill up as Brits happily cast off thick clothing for more revealing attire.

OK, the warm weather appears to have gone away at the moment and there's even SNOW forecast for Thursday.

But it appears that the worst of winter is over.

And that, of course, means it's time for ladies to get NAKED – without risking catching their death or getting frostbite of the teat.

So to celebrate, here's five pages of *Sport* stunnas in the buff. Altogether now!

DEATH ROW**  
THE WORLD'S MOST EVIL MURDERERS  
AND THE HORRIFIC CRIMES THAT SAW  
THEM SENTENCED TO EXECUTION...

**IT'S a miracle that Linda Morrissey made it out alive.**

Her home was ablaze and her husband Joe lay dying on the living room floor. Linda herself could only watch from her bed, bound tight by the feet and wrists and unable to move. Next to her sat her terrified five-year-old son Patrick, a child they had adopted as a baby from South Korea. The youngster had heard the screams of his father as he was stabbed in the stomach, head and neck by Randy Tundidor

following a petty row about rent. And, as the flames licked at the lifeless body of his father, it was brave little Patrick who saved Linda's life. Braving the fire, he ran into the kitchen, found a pair of scissors, raced back and cut his mother free so the pair could escape onto the patio of their home in Fort Lauderdale, Florida. For Linda, Patrick is simply her 'hero'. With Patrick safe, Linda dived

back inside, grabbed her husband and dragged him out. She struggled as her feet lost traction on the slippery kitchen floor. It was her husband's blood. But her efforts were all in vain. Joe, a man who had devoted his life to finding a cure for cancer, was already dead. Now Linda, 53, has to live with the perpetual torment while Patrick, now 12, is plagued by post traumatic stress. As Linda explains: "Patrick goes really crazy when there's a fire alarm drill at school. You can't hold him down. He just starts running." Patrick would write letters to his dead dad, asking, "How are you doing in heaven? I love you so much. I miss you, Daddy."

smells of that night. Now we quietly stay indoors. We think the bogeyman is going to come back to finish the job." Linda and Joe had met at the Goodwin Institute for Cancer Research in Plantation, Florida, where she was studying microbiology and he had been conducting research prior to becoming a lecturer at Nova South Eastern University. Following a whirlwind romance, Joe proposed to Linda in Rome and the pair were married in 1997.

The besotted couple tried for several years to fall pregnant before they finally decided to adopt a child instead. Joe was everything Patrick could want in a father. A keen waterskier and fisherman, he hand built his own boat in the garage so he could take his son out on the water with him.

Linda and Joe enjoyed a lifestyle unburdened by money worries, with the pair bringing home in excess of £350,000 a year between them. But in December 2009, Joe made a fatal decision that ended up costing him his life - he leased a rental property he owned to Tundidor.

A shady businessman who ran a car window tinting business called Gator Tint, Tundidor moved into the property with his fiancée Hilda, her children and mother, and one of

Tundidor's sons, Shawn. And he decided that if he did 'repairs' on the property, he could reduce his rent payment - despite never asking Joe permission to do so. When Joe questioned what he was doing, an argument ensued. It resulted in Joe asking the Tundidors to leave because they were in breach of contract. Tundidor was wild with rage. He told family members: "Nobody f\*\*ks

with me and gets away with it." He forged a plan with his then 24-year-old son Randy Jr to 'scare' Joe. At around 11pm, the pair slipped into the Morrissey home through an open window. They proceeded to bind Joe and Linda with cable ties but, mercifully, left Patrick sleeping in his room. Joe and Linda were then driven at gunpoint to a cash machine and forced to withdraw \$500

Even tiny things set Patrick's nerves on edge. When Linda bought her son a Buzz Lightyear action figure, he was freaked out by the tiny twist ties that attached it to the box. They reminded him of the plastic cable ties that had bound his mother and father on that fateful night. When Tundidor was finally sentenced to death in November 2014, Linda rejoiced in the sentence - the only one that could let her start to rebuild her life. "Joe would give me bear hugs every day," she said. "The memories are hard to endure. "My son and I will forever live a life in prison. We can't forget the sights, sounds and

**AS sadistic Randy Tundidor himself said: 'Nobody f\*\*ks with me and gets away with it.'**

**So when he got into a dispute with his landlord – a respected university professor with a young son – it came as no real surprise that it ended with extreme and gruesome violence...**

**DOTING FATHER:**  
Tragic Joe Morrissey

**LUCKY TO BE ALIVE:**  
Linda was saved by her son after Tundidor and Randy Jr (above right) left them to die

was met with a sight from his very worst nightmares.

The Tundidors then went into the garage, found a petrol container and began emptying it around the house.

The court documents reveal: "Tundidor said he wanted to kill Linda and Patrick, too.

"Randy Jr protested, angering his father, and left the house.

"Tundidor then lit a fire near Joe and followed his son, leaving Linda and Patrick in the bedroom.

## Smoke

"Linda had her hands tied behind her back and her feet tied together but Patrick was unrestrained."

After escaping, Linda immediately called the police.

An officer who responded said he found the house filled with smoke and Joe with his hands and feet bound, covered in blood, lying on the back patio.

Tundidor and Randy Jr decided to lie low. But when Randy Jr was arrested on April 7, 2010, what happened next shocked everyone.

Hearing his father's screams, young Patrick came into the room. He decided to inform the

police about the atrocities his father had committed.

And Tundidor's other son, Shawn, agreed to wear a police wire in order to snare his father confessing to the grisly crime.

When Tundidor's trial finally got under way in March 2012, Randy Jr's confession left a courtroom speechless.

He said: "My dad grabbed Joe and threw him on the couch.

"He had the gun to his head.

"I told him to calm down but he gave me a 'shut up' look.

"If I could have stopped it I would have, but it's hard to stop someone with a gun in his hand.

"The gun jammed. I was looking at the gun and when I looked up I saw he had a knife in his hand and was walking toward the couch.

"He stabbed him in the stomach.

"I only saw him do it twice – I couldn't look.

"Mr Morrissey was begging for his life. He was saying, 'Please don't kill me, I have kids'. I was in shock."

Randy Jr told the court: "Mr Morrissey eventually stood up. He

had blood on his hands. "Dad swung the knife into his neck and head area. He fell down.

"Then Dad gave me the knife and told me to put it away."

In December 2012, Randy Jr was sentenced to 40 years, having pleaded guilty to second-degree murder and kidnap.

Two years later, Tundidor got the ultimate penalty for his role in the crime – the death sentence.

But the nightmare endures for Linda and Patrick.

## Hero

She said recently: "If I start thinking about it, I don't know how I'm even functioning. I really don't know.

"I don't know how my son functions. But we will make it.

"Patrick is my hero. I can't really go into the details but he's my hero."

Linda is determined not to be beaten, though.

She added: "Those people took my husband's life, but I am determined that they are not going to take my life, too.

"I have my son. Together, we will be okay."

# TEEN LADS BATTERED TEACHER TO DEATH WITH A BASEBALL BAT

**AWAITING HEARINGS:**  
Goodale and Miller

A PAIR of teenage boys used a baseball bat to kill their Spanish teacher, then one bragged about the brutal murder on social media, court documents show.

The details, outlined in a search warrant unsealed last week, come as the teens, both 16, are still awaiting hearings on whether they should be tried as adults.

Jeremy Goodale and Willard Miller are both accused of killing Noheme Graber, 66, a teacher at Fairfield High School, Iowa, whose battered body was found on November 2 last year, dumped in a park just hours after she was reported missing.

Her body was found with trauma to her head.

## Execution

The search warrant unsealed last week showed investigators centred on the pair when a friend turned over Goodale's Snapchat messages that showed the two "were involved in the planning, execution, and disposal of evidence" in the killing.

Goodale described in the messages how the pair had conducted surveillance on Graber and how they killed her and dumped the body.

The victim's car was caught on CCTV entering and leaving the park on

**VICTIM: Noheme Graber**

the day the teacher's body was uncovered.

A potential motive for the shocking crime hasn't been disclosed, as attorneys for the teens are fighting to keep many documents in the case from public view.

The attorneys also tried to block media and the public from covering a hearing on whether the case should be moved to the juvenile system, but a judge denied that request.

Miller's hearing has been delayed as his attorney fights to suppress evidence that she said was obtained by violating her client's constitutional rights.

Once a judge decides on the evidence, the hearing on whether to move his case will then proceed.

Goodale's hearing on whether he should be tried as an adult is yet to be heard.

## JUSTIN DUNN'S ROOM 101

### WHAT'S ANNOYING HIM THIS WEEK?

HAVE SOME  
OF THAT:  
Smith gives  
Rock a slap

## The world needs some more slaps

UNABLE to bear the notion of braindead celebrities putting on their concerned faces to express love for the people of Ukraine, I decided against watching Sunday night's Oscars ceremony.

What a tremendous mistake that was.

After boring me to sleep for decades the one time I do skip it, it becomes the one and only time something interesting happened.

Will Smith slapping comedian Chris Rock across the face – even if it was a slap, not a punch – was as glorious as it was delicious.

Just for once we saw some genuine emotion instead of all the insincere shite we normally put up with when Tinsel Towners take to the stage to pick up their pointless awards.

By sticking up for his wife live in front of millions of viewers and a Dalby Theatre packed with Hollywood's A-listers, he put in the performance of a lifetime.

And it got me thinking.

Wouldn't it be really f\*\*king great if we had a bit more of this stuff and less limp-wristed "understanding" all the bloody time?

For instance – if someone, back in the day, had put Vladimir Putin in his place with a good slap and a firm poke in the chest, the mad little short-arse might have been more aware of his considerable shortcomings.

And if instead of being encouraged to bunk off school all the time, Greta Thunberg had been put over her mum's knee and given six-of-the-best for not respecting her studies.

Seeing as they don't like debate anymore, universities pompously cancelling people for not being to the far left of Citizen Smith would be automatically closed down without any comeback.

A one-strike-and-you're-out world

would solve so many problems. There'd be no more people bobbing up and down in dinghies in the English Channel because it would be patrolled by gunboats that actually fired guns.

Kids wouldn't be allowed to roam the streets on their BMXs, all dressed in black and packing a knife to demonstrate how hard they are.

In this new, sensible world, adults would be allowed to simply twat them off their children's bikes and keep twatting them until they go home – for hopefully another bollocking from their parents.

Anyone gluing themselves to a Tube train or an A-road would also get a taste of their own medicine.

They talk of "raising awareness" of their cause – so we do the same to them, by "raising awareness" of the extreme violence they will suffer if they continue with their ridiculous protests.

#### Bagpuss

Whether you agree with him or not, that ultimate Remainer idiot Steve Bray, the one who harasses everyone outside the Houses of Parliament, would have his megaphone shoved up his arse.

Richard Burgon MP would be forced to wear Bagpuss make-up and sit scowling in the corner.

Richard Madeley would be saying something daft – again – on telly, when a cricket bat would swiftly swing in from stage left and take him out with a wicked crack to the skull.

And literally \*every\* single town hall prodnose in charge of cycle lanes across the country would be incinerated in a bonfire of bicycle bureaucrats.

Can you see what you might have got going here, Will?

The party starter indeed...

# #MY SEX FANTASY

**'He told me to get down on my knees and suck him off!'**

**...WITH NIKITA VALENTIN, 34DD, FROM BRIGHTON**

**I LIKE having sex outdoors and think there is nothing hotter!**

I once met this bloke off Tinder and it was a lovely day so we decided to go for a picnic.

We were in a public park and it was full of other people. We had been quaffing some fizzy wine and flirting and I started to get the fanny flutters!

We talked about what we wanted to do to each other and it got quite explicit.

I said: 'Why don't we go behind that bush and you can show me'.

And so we did...

It was so thrilling knowing we could get caught that I nearly had an orgasm just from him playing with my boobs and licking my nips.

While he was fingering me I begged for his hard cock inside me.

He told me to get down on my knees first and suck on his big dick.

So I did what I was told and he nearly shot his load too quickly!

He urged me to stop and said, 'I wanna f\*\*k you hard'.

And he pushed me back against a tree and thrust into me.

In no time at all I came really hard while we were just feet away from families.

Now I'm hooked on risky sex!

## Hiker 'killed and eaten' by grizzly bear

A HIKER who had been reported missing is believed to have been killed and partially EATEN by a grizzly bear, according to law enforcement officials.

Craig Cloutatre, 40, of Livingston, Montana, was found dead after he had gone out hiking with a friend the day before, possibly to hunt for antlers, and failed to show up at a designated meeting spot.

Officials provided no details on where he was found or why they believe a grizzly bear was responsible for his death.

Teams on the ground and in helicopters searched the Six Mile Creek area of the Absaroka Mountains, north of Yellowstone National Park.

"When the other man returned to their vehicle and his friend wasn't there, he called us," Park County Sheriff Brad Bichler said.

Cloutatre (above) moved from his native Massachusetts more than 20 years ago to Montana, where he met his future wife Jamie, his father said.

## Boat woman died after falling into whitewater rapids

A WOMAN has died after she fell overboard into whitewater rapids on a trip through Grand Canyon National Park.

Mary Kelley, 68, of Steamboat Springs, Colorado, was nine days into a boating trip when she fell into the water near Hance Rapid on the Colorado River, the National Park Service said.

Members of her group pulled her out and attempted CPR on her until authorities arrived.

"Park rangers were flown into the location with the park helicopter. All resuscitation efforts were unsuccessful," park officials said.

They added there was powerful turbulence in the area of the river where she fell because of debris in the water from recent flash floods.

# £30,000 TO BUM HERSELF ON STAGE

## Rage at art girl's taxpayer grant

BIZARRE ACTS: Gillies gets naked

**A PERFORMANCE artist who BUMS HERSELF up the ARSE on stage has received a £30,000 grant from hard-pressed taxpayers!**

Artist Harriet Gillies' work was slammed by a radio presenter as it was revealed how her bizarre artwork is being paid for by taxpayer-funded grants.

One of her previous projects, titled *The Power of the Holy Spirit*, is an experimental performance

of 'Harriet getting naked and putting something up her butt (but, like, in a really arty and compelling way)', a description says.

One description of her show reads: "Expect a Ted-talk on acid, a lecture on mushrooms, or storytelling while popping nangs."

Nangs are small canisters containing nitrous oxide, often known as 'hippy crack'.

### Obsessed

Ben Fordham, a presenter on Aussie station Radio 2GB, could not believe that in one performance Gillies "literally shoves something up her bum at the end".

The Australia Council for the Arts also gave £45,000 to Yana Alana, who paints the Aussie Prime Minister Scott Morrison's face on her backside and then uses her backside as a puppet.

"They seem to be obsessed with their bums," Fordham said.

Fordham said

By JAYNE FERGUSON  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

another £45,000 was granted to a poet who writes about bodily fluids.

An act called *EO Gill*, who has been given funding, also riled Fordham.

Past performances by *EO Gill* included two figures exploring old injuries, performing a bizarre ritual by drawing surgical markings on each other, gay amateur porn and Nascar car crashes.

Fordham said he spoke to the Minister for the Arts, Paul Fletcher, after revelations about the bum puppet.

He wrote to the Australia Council and received an assurance they would address their criteria.

But he said his letter didn't work, as "they've now given the money to someone who sticks items in her rear end".

Fordham said the Australia Council for the Arts "should be shut down altogether".

## YOU'RE GONNA NEED A BIGGER

## BRA!

SHE'S no stranger when it comes to putting her famous curves on display. And Demi Rose didn't disappoint as she sent her fans into a frenzy again in her latest Instagram video.

The 26-year-old left little to the imagination as she squeezed her eye-popping assets into a barely-there copper string bikini.

A fan said: "With busters as big as that, she's definitely in need of a bigger bikini. And I'd love to sniff her bumhole."

# THE WORLD FAMOUS AGONY Page

Dear Ava,

I'm a university student and, as well as enjoying a great social life, I'm also having regular threesomes with two of my lecturers. They're both blonde and aged 36 and 40. I'm 21. I first started shagging them a couple of months ago when I went to see one of them for help on a project. As we were leaving, her pal turned up and said they were going for a drink and asked if I would like to join them. After we'd had a few, we went back to my flat and it wasn't long before we were all kissing each other. I had a massive hard-on as they both stripped off and started sucking my cock. I ended up shagging them both. I've had them loads of times since then, but now I'm starting to wonder if I'm doing the right thing. What should I do?

SW, west Midlands

Ava says...  
YOUR excellent course work could get you a Masters degree in shagging!

Dear Ava,

I AM a 22-year-old virgin who is finding it really hard to pop my cherry. I am reasonably fit and good looking, but things never seem to work out with anyone I may be interested in sleeping with. I have met loads of girls when I have been out at bars and clubs, but none of them seem to want to sleep with me. Even girls I have casually dated have never offered sex. I have tried everything and I am getting very frustrated. I am thinking of visiting a hooker – just to get the deed out of the way, so I can relax. Do you think this is a good idea for me?

TF, south London

Ava says...  
NOT really. Stop worrying about losing your virginity, the right girl will come along eventually.

## Nympho blonde lover has a massive hubby!

Dear Ava,

A FEW weeks ago I was sitting in a pub alone having a quiet drink when I walked a lovely looking blonde in her mid-40s. We made instant eye contact and not long afterwards she came and sat next to me. After we'd had a few drinks, I asked if she wanted to go back to my house. She was a bit nervous at first in case her husband found out, but she agreed. Once in the house she was a complete nympho and soon had my trousers down and her lips round my manhood. After she'd finished giving me an expert blowjob, I lifted her skirt to find black stockings and suspenders and tiny black

panties, which I pulled to one side before f\*\*king her hard and fast.

I thought that would be the end of it, but the other night I was in the pub again when she came in with her husband.

And to make things worse, she came and sat next to me.

Her husband, who is massive, was chatting with his mates and she was soon fondling my manhood through my trousers.

Now she's told me she wants to move in with me. But I'm scared of her hubby.

What should I do?

PT, east Yorkshire

Ava says...

TELL her it was just a bit of fun... then run!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

# Best pal's horny babe is addicted to giving oral

**Dear Ava,**

**MY best mate's bird is really fit – she's 19, blonde with lovely tits and is addicted to giving blowjobs.**

Her love of oral is well-known around our area and she has sucked off five of my mates.

We've also been having regular oral sessions in my car and a couple of weeks ago, after many months of trying, she finally let me shag her.

After I'd taken her doggy-style on the back seat, she told me that it was her big fantasy to be filmed while f\*\*king five blokes.

I said to her that I would see what I could do.

Not surprisingly, I soon found some volunteers and last week me and four mates knobbed her for three hours.

She was wearing black stockings and susses when we got to her flat.

They weren't on for long and I did her from behind, while another guy slid underneath and took her up the arse.

Another mate with a nine-inch cock

thrust it into her mouth and she wanked the other two off.

I saw her again the next night on my own. She wore a saucy nurse's uniform for me and loved it when I tied her to the bed, spanked her lightly and then pounded into her sopping hole.

Now she says that she would like to make another video of her shagging SIX blokes.

I've got a new team in place and we're set to make that video next week.

The only problem is that I feel a bit guilty when I'm with my pal – as he's started talking about marrying her.

Do you think I should tell him that his bird is a right old slag?

*BB, Tyneside*

**Dear Ava,**

I AM a 50-year-old businessman and I have been happily married to my wife for over 20 years.

We have a really active sex life and we both like to get kinky in the bedroom at times.

It's nothing too outrageous – just the occasional bit of bondage – but recently I have had the urge to dress up as a baby and wear a giant nappy.

But I am too scared to tell her in case she thinks I've gone a bit too "weird".

What should I do?

*GR, Wiltshire*

**Ava says...**

**NO. But stop taking advantage of her.**

**Ava says...**

**DON'T be a baby – just tell her!**

**Dear Ava,**

I'M quite new to the swinging game, but my hubby has been at it for years.

He just loves the sight and sound of 30 couples going at it in a private sex club.

After we got married he suggested I join in some of the fun, but I put it off until he brought home a DVD and persuaded me to watch it with him.

I had imagined all the women getting stuffed would be superslim model types.

But most of them looked about 50.

There was one old dear getting it in the arse from a big hunky stud – and she looked like she'd gone there straight from the retirement home.

But I also saw that a lot of the fellas had huge members.

I was intrigued, so I agreed to go to a bash with my hubby – where I grabbed hold of the nearest cock I could find and started wanking it.

As I was doing this I felt a hand tickle my fanny and then fingers going up.

Before I knew it I had a 10-incher up my pussy, one in my hand and a third in my mouth.

Now I can't get off on my hubby's cock alone.

*RJ, Essex*

## I scored in Dublin – but it could be an own goal!

**Dear Ava,**

I'M a 17-year-old apprentice with an engineering firm and I quickly earned a place as the main striker in the works' footie team.

In fact, I scored so many goals that the team was pretty successful and the captain invited me on his stag weekend in Dublin a few weeks before the coronavirus hit the country hard.

There were twenty of us and we all pulled a bird on the first night.

My girl was 24 and after we'd been at the stout we staggered back to a hotel and got a room.

She was obviously gagging for it and wasted little time stripping to her panties. I threw my clothes off and groped and sucked her tits, which were an F-cup.

**Screamed**

Then she went down on me and gave me the best blowjob I'd ever had, before spreading her legs to show me her wet lips.

I was down there like a rat down a hole. Then I turned her over and whacked it into her doggy-style.

After half-an-hour we both screamed as we came and collapsed in exhaustion.

But since I got back to England, I've been getting lots of texts from her saying she wants to come over as soon as possible and move in with me.

But I live with my mum. What should I do?

*DB, Merseyside*

**Ava says...**

**TELL her the truth. You don't owe this girl anything – she enjoyed herself as much as you.**

**Ava says...**

**WELL, it was his idea!**

#HOT'N'HORNY

**H**UGE-breasted Ines Cudna has confessed she keeps herself in shape with plenty of energetic SHAGGING.

The beauty, originally from Poland, has a vigorous training regime to maintain her figure so that she's ready to strip **NAKED** at any time!

Horny Ines likes to burn the majority of her calories between the sheets as well as regular sessions at the gym and playing for an all-girls netball team.

The 32D scorcher said: "I'm a big fan of sexercise. I love the girl on top position as it's great to tone up my thighs."

"I know that orgasms burn calories, so I always make sure I have a few!"

"And it's only polite to return the favour, so I make sure my man is satisfied, too."

"I also swim, play netball and lift weights at the gym. But that's not half as much fun!"

**IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!**

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

*Down On Abby* is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc\*\*\* and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of nosh as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you **MUST** not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

## BONNIE SIMON

**LIFEGUARD** Jamie Walker begged us for a picture of his all-time favourite topless babe, Bonnie Simon.

The 38-year-old works at his local pool in Dorset during the winter but usually jets off to America's beaches as a lifeguard in summer.

Although there's usually tons of Yank babes to keep his eye on, it's Esher's Bonnie and her 34D boobs he can't get out of his head.

Jamie said: "I love meeting women but that's not happen for the past couple of summers.

"Instead, I'd thought about giving Bonnie the kiss of life – she's stunning."

NO ARSENAL MOVE: Tite

## Brazil boss Tite steps back from Arsenal link

BRAZIL manager Tite says rumours linking him to the Arsenal job are "lies".

Reports in South America suggest he is being lined up to take over from Mikel Arteta after the winter World Cup in Qatar.

Arsenal technical director Edu has worked with Tite before for the national team.

That has led to reports that he wants to bring the experienced gaffer to the Emirates.

Tite said: "I am sad because information is broadcasted to the public and it is a lie.

"The information is a lie.

"And the people that I represent, that feel identified with me, rest assured that Tite has a personal moral conduct and values his professional conduct.

"I know the responsibility that bears at Brazil's national team.

"Sorry, Arsenal. Sorry Arteta, this is not true, it didn't come from us. There's absolutely nothing."

Another big name has distanced himself from a move to the Gunners this summer.

Everton hitman Dominic Calvert-Lewin has been linked with the Emirates.

There has been fevered speculation that the England international wants to leave Goodison but not the Premier League.

Arsenal are the club that keeps being mentioned.

But the striker's agent is adamant that his man won't be leaving the Toffees any time soon.

He said: "Dominic has not agreed any deal, with any club.

"He is currently working very hard in training and is fully focused on finishing the season strong with Everton."

A lot depends on whether the Toffees stay in the Premier League.

There seems zero chance that Calvert-Lewin would drop into the Championship with them.

Everton have put a £60m asking price on the striker but that would collapse if they lose their top-flight status.

Arsenal will have to buy a striker this summer as they are short up front.

## Wolves skipper Coady so proud to play his part in the England squad

**PLAYING for England is still the pinnacle for any footballer says Conor Coady.**

The Wolves skipper figured for the Three Lions in their friendlies against the Ivory Coast and Switzerland this week.

Many fans and pundits think the Premier League is the be-all and end-all these days but that's not the case for Coady.

While there's a good case to say he's a better centre-back than Harry Maguire, he has had to settle for a bit-part role in the past couple of years under Gareth Southgate.

But that's fine with Coady who is just happy to be part of the national team squad.

He said: "I never take it for granted. It's the best feeling in the world and the biggest privilege a footballer can ever have.

"I never get used to the feeling

By PAUL THOMAS

because if you do, I think you become a little bit comfortable.

"Getting comfortable is something I've never done in my life, I never would do. Being called up by your country is the biggest privilege a footballer can ever have in their life, so I've never got comfortable and I'll never take it for granted.

"I always try to do my best every single day and that's something I'll always do, so I've never really got used to it because every time I come here it's the best feeling in the world. It's an incredible moment just to be part of this group and part of this group of lads again."

Coady thinks Southgate is doing a great job of making sure there is a club atmosphere in the England camp.

Previous managers have struggled

to stop cliques forming between players from rival clubs.

It was said during the days of the "Golden Generation" that the Liverpool and Man United players didn't mix and the southern-based squad members stayed in their own group during England camps.

Coady insists there is nothing like that when it comes to the current Three Lions squad.

### Gaffer

He added: "It's something natural that comes with this group of players. It's something natural that comes from the manager, his staff and the people who surround the manager and his staff as well.

"We all enjoy spending time together and it's not changed since the Euros and didn't change before the Euros.

"It was always something that was a part of us and that's something

the gaffer has created since being here."

England's coaches have paid tribute to Coady's attitude when he has joined up with England squads.

The Liverpool academy graduate knows he isn't going to be first-choice for the starting 11 – but that doesn't stop him being a positive influence around the camp.

Being 29 and captain of Wolves, he has a lot of experience to pass on to the younger members.

And that's something he is only too happy to do.

Coady added: "There's lots of competition all over the pitch. I don't think it's just at centre-back.

"There are some incredible English footballers within this country and around the world at the minute.

"As long as I'm part of this squad and I keep getting picked, it's about helping people and giving the best of

myself every single day. My goals are to keep coming here and giving the best of myself every single time I'm called upon to try and help the team, to try and help the country and help my team-mates."

There have been some new faces in this squad thanks to injuries but also because Southgate is keen to give the next generation a taste of life in the England set-up.

## Chance

Three defenders in Marc Guehi and Tyrick Mitchell of Crystal Palace, along with Kyle Walker-Peters have had their first runs in a Three Lions shirt.

They could be seen as competition to the more established players like Coady.

But he is only too happy to see the younger players getting their chance and he sees part of his job as being

to help them settle in and make their mark.

He said: "We obviously play against them every week in the Premier League, we know how good they are from playing against them and we have a massive amount of respect for them straight away."

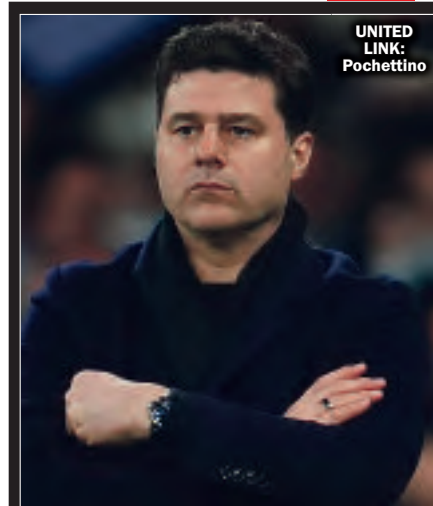

"For them to come into the England squad, it's fantastic for everybody to see. We see the quality they have in training, we see what they're like on the ball, we see how they play."

"They're fantastic footballers but I think more importantly they're fantastic people and that's what this squad's for."

"It's full of absolutely brilliant people who want to try and help and they're no different."

"It's brilliant to see them in here, but at the same time it's great to see how settled they are on the pitch and showing what they can do because they've been fantastic."

## Poch perfect for Premier booms Lloris

By ANDY MILLOM

HUGO Lloris is backing Mauricio Pochettino to be a major hit if he returns to the Premier League.

The former Spurs manager is in the running to take over at Manchester United – although the smart money is on Ajax gaffer Erik Ten Hag getting the Old Trafford hotseat.

Lloris has given his support to his former manager who took Tottenham to the Champions League final before heading to Paris St Germain.

Despite things not going to plan in the French capital, the skipper of Les Bleus national team is right behind Pochettino.

He said: "I've learnt from all my managers."

"I've built myself as a player, but also as a man through these men and managers."

"At Tottenham, I had the Andre Vilas-Boas experience."

"Then I had a very short experience with Tim Sherwood."

"Especially, I had this experience with Mauricio Pochettino."

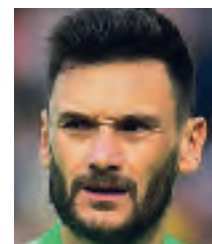

"For me, that went beyond the world of football, there's a friendly relationship that was created."

"Even if we knew the majority of things, I learnt a lot by their sides."

"There's also been Jose Mourinho and Antonio Conte now. There's a lot to learn from them."

Lloris is happy with his current manager too.

He believes the whole squad feel they are starting to turn a

**ADMIRER:** Hugo Lloris

corner under Conte who is getting his ideas through to them after a rocky start.

Spurs have put themselves right in the race for a top-four place, sitting three points behind Arsenal with a home derby to come against the Gunners.

Lloris was happy to extend his contract to stay in north London until 2024 – when he will be 38.

He can see the progress being made under Conte.

Lloris said: "I extended my contract a month and a half ago. "Things were done fairly quickly with the leaders, with a lot of respect and consideration."

"It's been two and a half years that we know ups and downs, irregularity in terms of results."

"But since the arrival of Conte, we feel a real progression."

"We have the feeling that we are crossing a plateau."

"I think we will be ready to go for the European places."

**Liverpool fight off Arsenal for PSV star**

**LIVERPOOL have edged ahead of Arsenal in the battle for Cody Gakpo.**

The PSV Eindhoven forward has 16 goals and 15 assists the the Dutch side this season.

He plays in a wide position which is exactly what Liverpool boss Jurgen Klopp looks for. The Anfield

giants face losing Sadio Mane and Mo Salah this summer as their talks over a new contract have stalled.

Players like 22-year-old Gakpo fit the bill for the Reds who look to bring in younger potential.

He has broken into the Dutch squad but is just coming to the attention of

Europe's top clubs. And the asking price of around £40m is right up their street too.

But they face strong opposition from Arsenal who are also keen.

And Bayern Munich have also been sniffing around.

But Liverpool seem to hold the aces and can offer guaranteed Champions

League football which is where the Gunners may come up short.

PSV technical director John De Jong admits it will be hard to keep hold of their prized asset.

He said: "Gakpo will of course not stay at PSV forever. He will go to a top club in a top league.

"Will that happen next summer? It's hard to say."
